

**JANUARY 2009: Patrick Washington,
JourneyHome Case Manager**

Congratulations to Patrick Washington, Solid Ground's January 2009 Employee of the Month. Patrick is definitely one of the agency's go-to people. He is always there for his clients, and he's especially helpful in fundraising as well! Over the past year, Patrick has connected with Getty Images for support, was on the Adopt-a-Family committee, and spoke to "*On Solid Ground at Sand Point*" Capital Campaign supporters about what clients need at Sand Point. He also found a way to increase support for Family Shelter – through sheet donations!

Patrick takes on additional agency responsibilities as a member of both Solid Ground's Worker's Council and Anti-Racism Committee (ARC). He is always there as a friend and an "above and beyond" co-worker. Congratulations and thank you, Patrick!
