

Lettuce Link's In-kind Donation Wish List

Solid's Ground's Lettuce Link program — and Lettuce Link's Community Fruit Tree Harvest and Marra Farm Giving Garden projects — are grateful for donations of gently used (unless otherwise noted) or new items:

- Weed whacker
- Lawn mower (*not electric*)
- Spading forks (12)
- First-aid kit (*new please*)
- Cordless drill
- Sets of screwdrivers, sockets, wrenches, handsaws, hammers
- Circular saw
- Digital produce scale
- Kneepads (12)
- Kid-sized garden tools and wheelbarrows
- Preschool-sized kids' garden tools
- Classroom-to-garden microscope
- Digital camera
- Educational soil testing kits (*new please*)
- Building materials for an outdoor classroom roof
- Threshold to keep rats from entering the shed (3)
- Tree pruners (*loppers with wooden handles; 12 needed*)
- Felco hand pruners (12)
- Gardening gloves (*lots needed!*)
- 6-foot orchard ladders (6)
- Fruit pole pickers (12)
- Fruit picking cloth bags/buckets (12)
- Mattock (*little machete to take out blackberry bramble*)
- Foot socks to protect fruit from pests (*new please*)
- Untreated bulk seeds in 5-pound increments, or individual seed packets (*2008 or newer*): Pak Choi / Gailan / Daikon Radish / Radish / Collard Greens / Beets / Carrots / Kohlrabi / Cucumber / Zucchini / Beans
- Storage space (*could be a garage to hold things like plastic buckets, bags of soil, picking buckets, recycling bins which will be used for harvesting fruit*)
- Greenhouse space (*with volunteers to start and tend seedlings*)
- White business envelopes — used for repacking seeds (*old stationary is fine*)
- Sign design & fabrication (*some funding available*)

Using a Fruit Pole Picker
