

7 Easy Steps to Being a Highly Effective Friend & Change Agent for Penny Harvest

- 1. Just Give:** As the Penny Harvest teaches, every cent counts!

Write a check to Solid Ground & send it to:

1501 North 45th Street, Seattle, WA 98103-6708

Please write “**Penny Harvest**” on the notes line of the check.

OR go online to www.solid-ground.org/Programs/Legal/Penny and click on the button “Donate to Penny Harvest Now.”

- 2. Sponsor a School:** A \$500 donation covers the cost of materials and training for one school to participate in Penny Harvest. Here are some ways to raise the money:
 - Gather a group of friends/co-workers/family to pool their money.
 - Ask your employer to cover the cost.
 - Talk to your school’s PTA/PTSA about supporting the program with a monetary contribution.
- 3. Join Our Cause on Facebook:** Use the Birthday Cause feature to collect donations for the program. Contact Mike Beebe for more info: mikebe@solid-ground.org.
- 4. Become a Harvest Hero:** A monthly contribution to Penny Harvest ensures that even small gifts make a major annual impact. Go to www.solid-ground.org/Programs/Legal/Penny and click on the button “**Become a Harvest Hero Now.**”
- 5. Host an Event:** Have a house party or other celebration and ask for donations to Penny Harvest.
- 6. Celebrate Penny Harvest’s Success:** Show your support for the good work of Penny Harvest students by attending a Check Presentation Ceremony in late May/June at a local school. Contact Anna Baldwin at annab@solid-ground.org for a list of dates and times.
- 7. Connect with Penny Harvest Staff:** Work with Penny Harvest to generate ideas, search for grant opportunities, and provide insight into program growth.

Penny Harvest[®]

In Seattle, the Penny Harvest is administered by Solid Ground in coordination with Common Cents

1501 North 45th Street, Seattle, WA 98103
