

My Marra Farm Story

by Szjhare King

OUR Vegetables
are good

What We Learn

Ms. V's class learns a lot with Lisa. We learn about fruits and vegetables, but mostly vegetables.

Some of the vegetables are kale, carrots, radish, beets, lettuce, and broccoli. We even learn about colorful fruits and vegetables.

What We Do At Hamm Creek

We do a lot at Hamm Creek like see insects and our salmon and we also see water cress and a lot of birds around it.

Why Do I Like Marra Farm?

I like Marra Farm because I learn some new things every time I go. We learn about fruits and vegetables.

What We Do With Lee

We do a lot with Lee. We pick stuff out of the garden. We write about our gardens and weather. We also pick peas and plant stuff with her. Once we even had cake.

What We Do With Sue

Our class picks a lot of stuff with Sue like peas, spinach. We see a lot of insects with Sue. Sometimes we even pick lettuce.
