

Connect with an Elder: Be a Home Helper!

RSVP (Retired and Senior Volunteer Program) and Catholic Community Services need **YOU to help elder neighbors remain independent in their homes!**

RSVP seeks volunteers to...

- Help meet critical needs of low-income, isolated seniors in your neighborhood.
- Offer companionship, support, and assistance.
- Provide transportation and/or run errands.

Match up with and support an older adult working to maintain their independence. You can make a positive difference! Virtual opportunities are available.
